Please note all registration forms and payments must be submitted minimum 2 days prior to the beginning of class. All CPR and First Aid Certification classes given by Tutors and Nannies Inc. are taught by a licensed CPR / First Aid Instructor certified through the American Heart Association. I understand if I prepay and I cancel prior to 48 hours, there will be a six month period in which I can take another class without paying an additional fee, however I understand I can reschedule only one time. There are no refunds. If cancellation is 24-48 hours prior, there is a 50% charge, if within 24 hours, there will be a 75% charge, and no cancellation incurs full charge and no make up class. All insufficient funds are subject to a \$25.00 fee. The class fee includes all materials. **What to wear:** Dress comfortably, loose clothing is recommended. You will be on your hands and knees for some of the activities. Please inform your instructor if you have any physical conditions that might prevent you from performing these activities. The instructor may be able to adjust the equipment if you have back, knee, wrist or hip problems. Also, the instructor should know if you are allergic to latex.

**I agree to all of the above.**
